

passing on the

in a world of unbelief

"Ask yourself, if I know something to be true, am I prepared to follow, even though it is contrary to what I want, or to what I have previously held to be true? Will I follow it, even if it means being laughed at? Will I obey God even if it means financial loss, or some other kind of hardship?"

Eric Liddell

passing on the

in a world of unbelief

- faith sharing when facing opposition
